Hack CCX.S.A.R. has been using the Redskins name and logo since before we were a household name, and we're proud of it. S.A.R. was the second company that owned the trademark and agreed to use the name and logo in 1974 when the Redskins trademark was initially filed, and we've proudly used it ever since. S.A.R. was one of the original sponsors of the Washington Redskins and has been associated with them in countless ways, including serving as a concessionaire at the former RFK Stadium from 1987 to 2001, when we relocated our operation to a new stadium in Landover. Our relationship with the Redskins has deep roots. We've been fans for generations and are proud to be an integral part of the franchise. We have played 2d92ce491b
